Grooming

Warm weather means your furry friends will need grooming. Let us help by coming to your home to groom your little ones! Help keep them cool and clean by booking a grooming appointment with Jeve's Pet Care. Today.

Add Nail Trims. While on our next visit, have us clip your pets nails! Easy, stress free, and great way to help maintain your pets health. *Only \$10*

Hot Weather Tips!

- ◆ Always provide lots of fresh, clean, and cool water for your pets both at home, playing in the yard and during walks! Clean dishes are a must!
- ◆ **Please do not leave pets in the car!** This can create very uncomfortable temperatures, which could be fatal. Leave them in the cool comforts of home.
- ◆ When out with your pets, please keep in mind the hot sun makes the pavements, sidewalks and roads very hot, which can harm your little ones paws! Instead, let them walk on grass or in the shade!
- ◆ Remember to take lots of breaks during walks and playtimes!
- ◆ Wrap a cool, wet towel around them to cool them off if they overheat.
- ◆ Keep calm always, you are your pets guide to proper health, happiness and balance. :)
