A Charity Event 9

Please join us for our 9th Annual Fundraiser for Salthaven Wildlife Rehabilitation & Education Centre Inc. A Charity Event 9 coming February 17, 2016. Share the love. Reserve today.

During the upcoming holidays, there will be many temptations for your pets, and some stressful situations. Please remember to provide a safe, healthy environment at all times. Presents, wrapping paper, trees, foods, tinsel, chocolate, noises, even friends and family members visiting over the holiday are some of the things to be aware of. Help your pets, and guests understand the environment and review safety practices. As you would a 1-4 year old child, your pets need your guidance, care and love. Exercise, healthy foods, fresh water, play, proper communication, mental stimulation and love are essential to all creatures.

Remember your pets rely 100% on you for their health, happiness and balanced lifestyle. Enjoy their wonderful personalities and friendship! Safe holidays, and we look forward to caring for your pets, home and yard.

Are you communicating effectively with your pets?
