

Thank you!

To everyone who attended or donated to A Charity Event 10. It was a wonderful evening for helping raise awareness for **Salthaven Wildlife Education & Rehabilitation Centre**. Together with our guests, volunteers and kind donations towards our silent auction; the event raised **\$3506.59**. Over the past 10 Charity Events, Jeve's Pet Care Inc., with tremendous support from Salthaven Wildlife Rehabilitation & Education Inc., has raised over **\$33,000.00!**

Please visit our website and check out our Events & Community page for a full list of sponsors. Please, please go out and support our local wildlife, businesses and community.

Special Thanks for the following for their continued support over our past 10 Charity Events:

Our Team

Olivia, Brooke, Jamie, Jeve, Nicole & Sean
Missing: Heather, Lisa & Mila

Please take a few moments and like us on Facebook. Review us on Facebook Reviews or Google Reviews, and you'll automatically receive a **\$ 5.00 credit** on your next invoice. If there is anything we can do to improve our service, please don't hesitate to contact us to discuss. We love our pet friends, and look forward to a long lasting, fulfilling and healthy friendship.

Spring Safety Tips

Open windows – Nice weather and fresh breezes are coming in. Be careful of pets pushing on screen doors or windows as they could fall out!

Flowers – Many types of flowers are toxic to pets. Examples: Lily's, Azalea's, Hydrangea's.

Melting Snow – Now that the snow is starting to disappear, there are many unsafe things underneath to watch out for such as garbage, feces, grass mold, etc.

TICKS, FLEAS, & LICE!

SPRING IS IN THE AIR! THIS MEANS THAT THOSE PESKY LITTLE BUGS WHO LIKE TO CLING TO OUR PETS ARE COMING OUT. **TICKS** ARE A MAJOR CONCERN THIS TIME OF YEAR. THEY START TO BE ACTIVE AS THE EARTH WARMS UP DURING **MARCH-MAY!** PLEASE ALWAYS CHECK YOUR PETS AFTER WALKS, HIKES, ETC.

Fleas

Ticks

Lice
